HELP UNIVERSITY AND HELP ACADEMY STUDY AWARDS

Since its establishment in 1986, HELP has awarded many study awards to encourage Malaysians and international students who demonstrate academic excellence and display leadership qualities to pursue their tertiary education at the university. Many of these recipients have completed their courses and have embarked on successful careers.

HELP welcomes both new and continuing students who are high achievers to apply for study awards.

FULL AND PARTIAL STUDY AWARDS

If you meet the minimum criteria stated, you are required to do the following:

1. Complete a HELP Study Awards Application Form and attach certified transcripts of your academic results.
2. New students are required to submit a HELP Application Form to apply for the chosen programme and pay the Student Application Fee before submitting the study award application form.
3. New students will submit the respective forms and attachments to the study award officer in the Registry before the specified deadline. Late applications will not be considered for selection.
4. For consideration by the study award committee in May and October of each year, study awards applicants must be registered students of HELP University or HELP Academy. Your form will be forwarded to the study award committee for consideration when the Committee meets in May and October.
5. The decisions of the study award committee will be announced by the third week of May and October and are not subject to appeal.

Important Notice:

1. As study awards are limited and competitive, only candidates who meet the minimum criteria specified in this brochure are eligible to apply for the study award committee's due consideration.
2. Meeting the minimum criteria does not automatically guarantee the applicant a study award.
3. All study awards applicants will be evaluated and short-listed by the Financial Aid Committee of HELP University / HELP Academy. HELP's study awards committee reserves the right to revise the criteria from time to time without prior notice. The decision of the Financial Aid Committee is final.
4. Students are only entitled to one study award at any one time. (Study awards include prizes and fee waivers.)
5. Applicants may be awarded a sum that may be less than what is stipulated in the brochure, depending on the availability of the study awards fund.
